

Forward in Mission Christmas Bazaar

Sunday, December 3, 8:30 a.m. - 12:30 p.m.

Find out how First Presbyterian makes a difference locally and around the world AND purchase thoughtful gifts at the Second Annual Forward in Mission Christmas Bazaar.

There will be lovely items for sale AND you can support specific First Pres missions by purchasing “shares” of projects or programs. Need a present for someone who has everything? In their honor, give the gift of a safe night’s sleep to a child in Ann Arbor; light switches, outlet boxes and wiring for a school in Nicaragua; or protein rich meals for a patient in a mental health facility in the Philippines. You will receive a share certificate in an envelope which can be presented as a gift. Plan your shopping strategy in advance by checking out the Forward in Mission Catalog online at www.firstpresbyterian.org.

Kids Can “Travel the World”

Forward in Mission isn’t just for adults. Kids can pick up a passport and “travel” to different countries by visiting the tables of various mission groups. They will have their passports stamped as they learn more about mission activities.

Support Mission Even if You Can’t Attend

If you can’t make it to the bazaar, you can still support our mission teams by purchasing a meaningful gift – a share supporting a specific mission initiative – at www.firstpresbyterian.org starting November 14.

What Missions Will Be Represented at the Bazaar?

Come to the bazaar and learn more about what First Pres is doing locally and throughout the world. Peruse the items and shares for sale by:
