Dear Friends,

With February comes the season of Lent, upon us earlier this year than last. We begin this somber time of self-examination and repentance with Ash Wednesday, February 10. This year, in addition to our traditional family-friendly service at 5:00 p.m. and our ecumenical Taizé service at 7:30 p.m., we will be offering the imposition of ashes in Monteith Hall between 7:30 a.m. and 8:30 a.m. Stop by on your way to school or work or the coffee shop for a few moments of personal prayer and reflection. There will not be a formal service but you will be able to receive ashes and a blessing.

The wonderful Hebrew word that is closely associated with Lent is shub. It literally means “to turn.” Lent challenges us to turn from the ways of sin and to turn to God. Are there areas in your life where you need to reverse course, to turn 180 degrees, to reorient yourself toward God and living in a Christ-like way? Lent focuses our attention on the issues that separate us from God and one another.

On February 28 we have an opportunity to hear and learn from Jeanne Bishop, an attorney in the Cook County (Illinois) Public Defenders’ Office. Jeanne is a Presbyterian with a powerful story of turning from anger to reconciliation. Her sister and brother-in-law were murdered while expecting their first child. The teenager who confessed to the crime was the child of a couple that Jeanne’s parents knew. Jeanne has

written *Change of Heart: Justice, Mercy, and Making Peace with My Sister’s Killer*. Copies may be purchased through the Church Office for \$12. Our senior high youth will spend an hour with Jeanne on Sunday morning (February 28) and she will present to the congregation at 4:00 p.m. At 5:30 p.m. we will close our time together with a brief service of Healing and Hope. I hope you will make plans to attend and will invite others. Jeanne’s inspirational story will be especially powerful for those who struggle to forgive and who work for justice. How do we as Christians accept our humanity and our need to be who God calls us to be? Is genuine forgiveness possible? How can both justice and mercy prevail? It is especially appropriate to consider these difficult questions during Lent. Engaging them as a congregation will give us all the advantage of many perspectives.

During these cold, dark days of winter, know the Light has come into the world. Trust in God’s presence among us. Give thanks for God’s goodness and for the blessing of this faith community.

Grace and peace,

Fairfax F. Fair, Pastor

Communion Sunday Food Collection

February’s Communion Sunday Food Collection on February 7 is sponsored by Youth Ministry and will benefit the Washtenaw Community College Emergency Food Bank. According to the WCC website, “College is hard enough without having to worry about where your next meal is coming from. That’s why the Student Resource Center (SRC) at Washtenaw Community College operates an emergency food pantry for students in need. The emergency food pantry provides some much-needed relief for students facing academic and financial barriers, including basic needs such as food and hygiene products. In the past two years alone, nearly 2,100 pounds of food and hygiene products have been donated to students.”

Lenten Opportunities

Lent Begins February 10

Journey to Jerusalem: Lent 2016

During this season of Lent we will explore the theme of journeying. We will journey inward to the heart of the Christian story around Jesus' own life and death. In Eastertide, we will join the disciples in journeying outward into the world, sharing the good news that we have discovered. This Lent, what practices of journeying can we undertake together? For some in our congregation, it is the Christian practice of pilgrimage. For others it may be a labyrinth or a prayer walk into areas that are in need of healing. Join our church family as we journey together this Lent and Eastertide.

February 7 & 14 – God’s Good Creation: Environment, Faith, and Earth Care, Part 1 & 2

Louise Glück’s *The Wild Iris* contains some of the most powerful poetry written by any living poet. The work is organized along a “vertical axis” as Glück has said, and contains lyrics spoken by flowers in a garden, poems by and about humans, sometimes in anguish and often dazzled by the world around them, and lyrics spoken by a divinity of sorts. This book is a moving inquiry into what it means to be human, and what kinds of labor it takes for us to make homes for ourselves. Glück won the Pulitzer Prize for Poetry in 1993 for *The Wild Iris*. Presented by Dr. John Whittier-Ferguson, Professor of English at the University of Michigan.

Change of Heart – Sunday, February 28

A Presentation about Murder, Forgiveness and Redemption

Change of Heart: Justice, Mercy and Making Peace with My Sister's Killer, by Jeanne Bishop, is the heart-rending story of meaningless violence, horrific loss, and, in the end, an astonishing forgiveness. The story begins with tragedy: the murder of Jeanne Bishop's sister Nancy, along with Nancy's husband and their unborn child, in their Chicago home. The end of the story is still being written, and points to distinct Christian themes of forgiveness, redemption, and justice. Join attorney, activist, and author, Jeanne Bishop for an absorbing presentation on Sunday, February 28 at 4:00 p.m. in Monteith Hall. Explore the depths of tragedy and the tremendous power of forgiveness through Bishop's story. Her presentation will be preceded by a book signing at 3:00 p.m. in the Welcome Center and will be followed by a half-hour service of Hope in Monteith Hall at 5:30 p.m. In addition, Jeanne Bishop will speak with high school youth at 9:30 a.m. and be present in worship at 11:00 a.m. Copies of *Change of Heart* are available for purchase through First Pres online at <https://firstpresbyterian.wufoo.com/forms/change-of-heart-book-purchase/> or in the Church Office for \$12.00. Jeanne Bishop is an attorney in the Cook County (IL) Public Defenders' Office, an activist, and an author. She is a member of Fourth Presbyterian in Chicago.

- 11:00 a.m. Worship, Jeanne Bishop Welcomed and Introduced

Cass Community Social Services Events

Suds and Sheets – Cass Community Social Services has expressed a need for household items, including laundry detergent and paper towels. Laundry detergent is provided to people who are not able to afford it through the agency's different programs. The paper towels are a necessity for running the programs. We will be collecting donations of laundry detergent and paper towels from February 1 to March 1 for Cass. Our goal is to collect 500 rolls of paper towels and 50 containers of laundry detergent. Look for the donation basket at the Welcome Center.

Join the Cass Coordinating Team - Help us share in the ministry and mission at Cass. Our first meeting is Sunday, March 6 at noon. First Pres began working with Cass Community Social Services, a 501(c)(3) Detroit-based agency and a vital ministry, in 2010. Groups volunteer at Cass twice a year, planting and weeding vegetable gardens, painting, rehabbing rooms, and more. Cass provides programs for food, health, housing, and jobs in areas of concentrated poverty, and operates a weekly free medical clinic and a day program for 100 adults with developmental disabilities. Rev. Faith Fowler, Director of Cass, is a visionary pastor with a bent for practical social action. Questions? Contact Sue Jeffers at sjeffers1@me.com or Rev. Jay Sanderford at jsanderford@firstpresbyterian.org.

December Update from the Ludwigs in Niger, Africa

It's been exciting to start working on the next steps for our partners in Niger to put into place a Community Health Evangelism strategy. This month we've been in conversations with leaders and worked on drafting a variety of plans for how to develop leaders who can use these practices in their situation. These practices are counter-intuitive to what people are used to here, but is instrumental for living out a witness that is more holistic, self-sustaining, and responsive to the community. We're excited that plans are being made for the first group of pastors and mission leaders from the US to come visit this Spring, together with our regional supervisors. Please pray for peace and stability in Niger through the upcoming political events, for wisdom and guidance for the CHE training plans, for our family, as we continue the adoption process and all the adjustments that will come with that.

Big House Food Rescue Mission - More Than Just The Food!

Following each home football game at the Big House, and after each home basketball game at Crisler Arena, volunteers from First Pres collect good food that would otherwise go to waste and distribute it to two feeding programs in Detroit. Since the inception of the program, we have saved approximately 60,000 lbs of food. This project is about so much more than the food. Matt Prentice, Cass Community Center Chef, writes, "At Cass Community Social Services, we are feeding 30,000 people a month now that winter has set in. Each day we supply food to five facilities that focus on the homeless of Detroit. Over the past year, due to our donors and the entrepreneurial vision that raises dollars for our mission, Cass will feed those who need it most for a far reduced cost over previous years and we could not do this without you. The 6,000 pounds of brats, hot dogs, pizza, soft pretzels, chicken fingers and other food, often provides these folks their main meal of the day. It truly shows that First Pres understands that our mission is to minister to those in need in any way that we can."

ESL Ministry Seeks Receptionist

The English as a Second Language (ESL) Ministry continues to offer hospitality to international visitors in our community. The program serves non-native speakers of English who have at least an intermediate knowledge of English. Weekly, these learners are greeted by Nancy Briggs, our volunteer at the ESL reception desk. Nancy facilitates the learner's registration and sign-in processes. Nancy will conclude her work in May. A search is underway to replace her. The ESL groups meet every Tuesday, 1:15 - 2:45 p.m., September through May. A receptionist should be able to arrive at 12:45 p.m. to prepare for the arrival of the learners and remain until 1:45 p.m. The receptionist's role provides an opportunity to participate in the ESL Ministry in a non-tutorial capacity. We would like to identify an individual to replace Nancy in the near future. This would allow that individual time to work with her before she leaves in May. Full responsibility for the reception desk would begin in September 2016. If you can do this, please contact Ruth Primas at ruthp@umich.edu for further info.
