A GUIDE TO WHAT'S WHERE

*Finding Your Way Around
First Presbyterian Church*

YOU ARE HERE

The question is where is “here” . . . and just how do you get from “here” to “there”?

First Presbyterian is a vital, active church with many activities going on at various locations around the building. Finding your way around can be a bit confusing, especially on a Sunday morning, when virtually every room has something scheduled in it.

This guide was designed to assist you in your task of getting from “here” to “there.” Maps of each level have been included, as well as the floor directory on the next page. We hope you find it helpful.

By the way, we are glad you are here!

Building Trivia Answers

1. It is the office of Adrian Prundeanu, Facilities Manager, on the second floor.
2. It is the William P. Lemon wing.
3. Jonah can be found above the drinking fountain next to the Church Office on the second floor.
4. Henry B. Kuizenga Wing
5. Hillegonds Chapel is to the right of the Chancel in the Sanctuary.
6. The Book of Remembrance is next to the center staircase on the second floor.
7. Mary Friskey was a wonderful member of the congregation who took care of three and four-year-olds on Sunday mornings for 37 years. She was also an AVID Detroit Tigers fan! Session minutes from May 1991 indicate that Room 100 was to be named the Mary Friskey Room and that the three and four-year old preschool class was to be called the Friskey Class (what is now the threes' and young fours' classroom.)
8. The Resident Minister offices on the first floor.
9. It is next to the elevator on the first floor.
10. It is the Choir Room on the third floor.
